## **2017 SUSTAINING MEMBERSHIP INFORMATION**

Sustaining Membership is open to those individuals, law firms, corporations, bar associations, paralegal program representatives or those actively involved in the promotion of the paralegal profession. Sustaining Members are eligible to pay member rates for attendance at CLE meetings. Sustaining Members are not eligible to vote or hold office.

Sustaining members are showcased on the Sustaining Members page of GMPA's website and are eligible to promote their organization at the CLE luncheon meetings. You may give a brief presentation during the general business portion of the meeting. You may provide promotional items to the attendees such as a notepad or other item with your company's logo. There is always time to make those valuable face-to-face connections and contacts that may prove to be quite important over time.

Your company will have a broad range of exposure to promote your business or service within Memphis' legal community, as GMPA's membership spans from in-house corporate paralegals to paralegals in large and small law firms.

Should you have any questions about Sustaining Membership or GMPA, please do contact us at [gmpa.membership@gmail.com](mailto:gmpa.membership@gmail.com).

Thank you for your support!
